PASTOR BOB JOHNSON
FIRST CHURCH

Happy is the nation whose God is the LORD—

Who Are We Who Live As Christians in the USA?

- The beloved Children of God.
- Strangers. Aliens. Exiles.
- People who are engaged in a spiritual battle.
- Witnesses who have been commissioned by Jesus.

What Are We to do as Christians living in the USA?

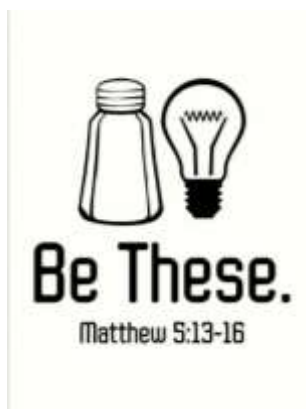

- Submit to authority except.....
- Honor and Love.
- Fear God.
- Honore the "Emperor."

A Biblical World-View as Citizens of the USA

- God created everything.
- The one true God reveals Himself and His moral standards clearly in the Bible.
- The original creation was **very good**.
- Because of Adam's sin, there is moral evil in the heart of every human being.
- Because of the sin, there is a curse on the entire natural world.
- God wants humanity to develop the Earth's resources and use them wisely and joyfully.

With a Biblical World-View, What should our approach be?

- Protection of Life
- Gender
- Marriage
- Family
- The Environment
- National Defense
- Foreign Relations
- Media Bias
- Freedom of Religion
- Power and the Sovereignty of God
