

Good, But Not Good Enough

Mark 10:13-27 Carl Boersma 10.03.21

Intro: Is golf easy or hard?

Is receiving salvation easy or hard?

I. How easy salvation is to receive! v13-16

God's Kingdom is:

- A possession we receive.
- A gift we are granted.
- An experience/relationship we enter into.

II. How hard salvation is to receive! v17+

- Eternal life is not "something, I hope to get, when I die, if I am good enough".
- Eternal life is not "something I do".
- Eternal life is a personal relationship with Jesus.

III. How we receive eternal life

- It is not works, deeds, serving, etc. to gain salvation.
- It is:
 - *remorse & repentance*
 - *receptivity & humility*
 - *faith & trust*
 - *response & obedience*

Application:

Rather than 'walk away sad" (v 22), welcome Christ into your heart and life today! Jesus is our source of hope, meaning, and purpose in life and eternity!

Let's prepare our hearts for
Communion next Sunday.
