Welcome!

Easter is the greatest celebration for Christians – rejoicing in the reality that Jesus, our Savior, rose from the dead, and in the process conquered sin and death. Jesus now invites every one of us into the “risen life” of following Him – a life filled with love, joy and peace. “He is Risen” and we are risen with Him!

So wherever you are on your journey, we want you to know First Church is here for you. We want to be a place that cares for families and welcomes the broken. Today and every week are celebrations of hope and love!

If you are here for your first time, we would love to get to know you better! Check out the many things going on at First Church. Come and join us!

Join us for this new message series!

People often can remember the story of Jonah because it involved someone being swallowed by a big fish. There was a lot going on in Jonah's life that prompted him to try to run from God's call on his life. There is no doubt there were ‘fishy’ things going on in Jonah's life and perhaps there are some ‘fishy’ things going on in your life. God did some great work in Jonah while he was in the belly of that fish. How about you? Are you in need of some significant work in your life without landing in the intestines of a great fish? Join us during the month of May as we explore this short but very potent book of the Bible!

The Broken Hearted Evangelist
Begins Sunday, May 15 • 11 am
(Led by Bryant Seuferer)

With a gutless orthodoxy, Christians today quickly affirm biblical truth regarding evangelism and mission but we cannot pretend that we know and believe the truth about people, souls, heaven, hell, and salvation unless it is making a difference in the way we think, feel, pray, speak, and act. It's time to put into action what it means to share our faith with others. This class will help!

Revelation for Regular People
Sundays • 11 am
(Led by Pastor Bob)
